GENERAL RULES AND REGULATIONS

- 1. Management.** The National Automatic Merchandising Association (NAMA) and its authorized representatives are hereinafter referred to as "Show Management."
- 2. Character of Exhibit.** Exhibitors shall be prohibited from using, displaying (in any manner including text or graphics) or promoting the products, equipment or services of any non-exhibiting company. Show Management reserves the right to review and determine at its sole discretion acceptability of products and equipment that may be substantially similar to those displayed in an exhibitor's booth which may be used in the display of any other exhibitor. In making this determination, Show Management will consider the products or equipment displayed in your booth which are also available for display in the booths of other exhibitors. Show Management reserves the right to restrict or close down any exhibit which, because of noise, method of operation, materials, or any other reason, in the opinion of Show Management, becomes objectionable, and also to prohibit or remove any exhibit which, in the opinion of Show Management may detract from the general character of the Show as a whole, or consists of products or services inconsistent with the purpose of the Show, without liability for any refunds or other exhibit expenses incurred or alleged, for any reason, loss or damage including but not limited to actual or consequential damages.
- 3. Payment of Space.** Total booth payment is due by February 1, 2019. Applications received without such payment will not be processed nor will space assignment be made. Show Management reserves the right to accept or reject any signed application submitted and no application should be considered accepted by Show Management until it is executed by Show Management.
- 4. Cancellations and Refunds.** All requests for cancellation of booth space must be received in writing to Show Management at aoshea@nmanow.org. Cancellations received prior to January 15, 2019 are eligible for a full refund minus a \$200 administrative fee. Cancellations received on or after January 15, 2019 are not eligible for a refund. Booth downsizing will be treated as a cancellation of booth space. It is expressly agreed by the exhibitor that in the event he fails to pay the space rental charge at the times specified, or fails to comply with any other provisions contained in these rules and regulations concerning his use of exhibit space, Show Management shall have the right to reassign the booth location shown on the face of the contract or to take possession of said space and lease same, or any part thereof, to such parties and upon such terms and conditions as it may deem proper. In the event of a default by the exhibitor, as set forth in the previous sentence, the exhibitor shall forfeit as liquidated damages, the amount paid by him for his space reservation, regardless of whether or not Show Management enters into a further lease for the space involved.
- 5. Subletting of Space.** No exhibitor may assign, sublet or apportion the whole or any part of the space assigned to it or permit any party to exhibit nor to distribute any materials or occupy any of such space for the purpose of promoting any business other than that of the exhibitor to which the space is assigned, except as may be permitted in writing by Show Management. An exhibitor will be permitted to share a booth with another company only (i) where one of them is a wholly owned subsidiary of the other or (ii) where the product of each exhibitor cannot be used as intended without the product of the other exhibitor, the products combined are typically perceived as a single product and the products combined are often sold as a single product.
- 6. Booths.** All linear booths are 80 square feet (8'x10') unless otherwise noted. Booths have an 8' high back wall drape with 36" high sidewall drapes. No special signs, booth construction, apparatus, equipment, lighting fixtures, etc. will be permitted to extend above 8' 3" feet. All display fixtures more than 4' in height and placed within 10 linear feet of an adjoining exhibit must be confined to the back 4' of the Exhibitor's booth.
- 7. Booth Accessibility.** Under Title III of the Americans with Disabilities Act, each exhibitor is responsible for making his exhibit accessible to the disabled, and shall indemnify Show Management and the convention facility against failure to do so. Exhibitors who have constructed, or are planning to construct, multi-level booths must comply with this federal law and all state and local fire and safety codes.
- 8. Space Assignment.** Show Management will use its best efforts to locate the booth in one of the locations designated by the exhibitor on the reverse side hereof, to provide physical separation of the booth from the booths of those competitors from whom the exhibitor has requested such separation on the reverse side hereof. However, Show Management reserves the right to change location assignments at any time as it may in its sole discretion deem necessary.
- 9. Compliance with Laws.** Exhibitor shall comply with all applicable laws, codes and rules and regulations of the federal, state and city governments and the convention facility, as well as all rules and regulations of the Show set forth herein and in the Exhibitor Service Manual, as amended from time to time. The exhibitor shall use the leased area in a safe and careful manner, and shall not do, or permit others to do, anything in any leased area(s) or convention facility which would cause a difference in conditions from those previously approved by Show Management's insurance carriers or the convention facility, which would in any way increase insurance premiums payable by Show Management or the convention facility.
- 10. Liability and Waiver Subrogation.** Show Management, the convention facility and their employees and representatives shall not be responsible for any loss, damage or injury to person or property that may be suffered by the exhibitor, or the exhibitor's employees, from any cause whatsoever arising out of participation in the Show prior, during or subsequent to the period covered by this exhibit application, excluding that caused by or resulting from the negligence of Show Management or convention facility and their employees and representatives. Exhibitor shall indemnify, defend and hold harmless Show Management, its officers, directors, employees and agents against and from any and all losses, costs, damages, liability, or expenses (including attorney's fees) arising from or by any reason of any accident, bodily injury, property damage or other claims or occurrences to any person, including Exhibitor, its employees and agents, or any business invitees, arising out of or related to Exhibitor's occupancy or use of the booth space and any other leased area(s) of the convention center. The terms of this provision shall survive the termination or expiration of this Agreement. Exhibitor shall obtain, at its own expense, adequate insurance against any such injury, loss or damage. The exhibitor waives the right of subrogation by its insurance carrier(s) to recover losses sustained under exhibitor's insurance applications for real and personal property. If requested, the exhibitor, as a condition to participation in the Show, shall obtain from its insurer(s) a waiver of subrogation consistent with this provision.
- 11. Interruption or Prevention of Show.** In the event the Show is interrupted or prevented to be held for any reason beyond the control of Show Management, then this Exhibit Space Application shall terminate and the exhibitor hereby waives any claim against Show Management for damages of any kind or nature by reason of such termination except that any unearned portion of the space rental due hereunder shall abate, or, if previously paid, shall be refunded by Show Management to the exhibitor after deduction of such amounts as may be necessary to cover expenses incurred by Show Management in connection with the Show.
- 12. Security and Insurance.** Exhibitors are solely responsible for the safety of their property, and
- 13. Displays—General.** During the dates of the NAMA Coffee Tea & Water, each exhibitor shall not display, show, demonstrate, or exhibit in any hotel room, suite or public or private display room (except its regularly established sales office) any vending machines, coffee equipment, vending, coffee service or food service products, coin-operated or non-coin-operated phonographs, coin-operated or non coin-operated games or amusement devices, accessories, component parts or any other piece of equipment or service used by vending, coffee service or food service operators in the normal conduct of its business. **The 80/80 Sound Rule.** Any sound which consistently exceeds 80 decibels measured at the edge of an exhibitor's booth, is clearly identifiable more than 80 feet from that booth, or is in the opinion of Show Management, objectionable or interfering with neighboring exhibits is considered in violation of NAMA Show regulations and may be shut down at the discretion of Show Management. Commercial radio and TV reception are not valid exhibit devices and at no time shall either be permitted in exhibitors' booths. Closed-circuit TV, tape recorders, sound-pictures (motion or still), or other audio-visual devices with audible sound are also specifically excluded except where such devices are housed in enclosed areas, or so constructed that the sound will not be heard outside of the exhibitor's booth and will not interfere with exhibitors in adjoining booths. What is shown or heard must be directly related to the products, machines or services of the exhibitor. Models and exhibitor personnel shall be attired tastefully as determined by Show Management.
- 14. Solicitation or Demonstration by Exhibitors.** Exhibit activities must be conducted so as not to interfere with the approved activities of any other exhibitor; specifically prohibited are excessive noise and activities that block the entrance and exit from neighboring booths. Exhibitors are not permitted to use strolling entertainment. All costumed characters must confine their activities to the exhibitor's booth. Handouts can be used for promotional purposes provided they are in good taste as determined by Show Management. All handouts must be distributed from the exhibitor's booth and not from other areas of the exhibit hall or in the lobbies, banquet rooms or other public places in Official Hotels unless written permission has been granted by Show Management. Any cost incurred by Show Management to remove stickers or other materials will be charged back to the exhibitor that used them. Unofficial identification badges are prohibited. The taking of photographs, videos or tape recordings by anyone in the exhibit hall is prohibited except in the case of official photographers, the press or with the written consent of the exhibitor in whose booth the photos or recordings are being made.
- 15. Lotteries, Games of Chance or Attendance Prizes.** Promotional plans designed to generate booth traffic cannot require visitors to be present at a specified location or time. No illegal promotions shall be permitted.
- 16. Entertainment in Rooms during Show Hours.** Exhibitors expressly agree not to conduct parties, receptions, open-houses or other events for Show attendees, in their private rooms, sales offices, hospitality suites, or other facilities, during scheduled Show hours.
- 17. Damage to Property of Others.** Exhibitor shall be solely responsible for the cost of any damage to the convention center, official hotels, property of others, and any other claims and cost arising out of Exhibitor's use of the leased area(s), regardless of how/by whom damage was caused.
- 18. Fire Protection.** No combustible decoration, such as but not limited to crepe paper, tissue paper, cardboard or corrugated paper, shall be used at any time. All packing containers, excelsior or wrapping paper are to be removed from the exhibit floor and must not be stored under tables or behind displays. All decorations and booths must be of flame-proofed materials. Exhibitor shall be solely responsible for all fire damages and costs.
- 19. Shipping Instructions.** An official show contractor will be appointed to assure orderly and expeditious handling of exhibit materials in/out of the exhibit hall. The cost of this service will be paid by the exhibitor. The Exhibitor's Manual will provide complete shipping information for exhibitors.
- 20. Penalties.** Failure to comply with all conditions of this application or any other rule or regulation governing the conduct of the Show, or any amendments thereto shall be cause for Show Management to close the exhibit of the offending exhibitor at Show Management's discretion after notice of failure to comply is given to the exhibitor and compliance is not effected forthwith. Offenders may also be prohibited from exhibiting at one or more subsequent shows.
- 21. NO BAGS ALLOWED.** Please note exhibitors are not allowed to hand out bags or containers that could be used to collect samples. NAMA distributes a (sponsored) bag for this purpose. This helps control the "trick or treat" atmosphere that takes over some of our shows. Violators will be warned once. After that, their bags will be confiscated and held until show end
- 21. Other Regulations.** Any and all matters not specifically covered by the preceding rules and regulations shall be subject solely to the decision of Show Management. **SHOW MANAGEMENT SHALL HAVE FULL POWER TO INTERPRET, AMEND, AND ENFORCE THESE RULES AND REGULATIONS, PROVIDED EXHIBITORS RECEIVE NOTICE OF ANY AMENDMENTS WHEN MADE. EACH EXHIBITOR AND ITS EMPLOYEES AGREES TO ABIDE BY THE FOREGOING RULES AND REGULATIONS AND BY ANY AMENDMENTS OR ADDITIONS THERETO IN CONFORMANCE WITH THE PRECEDING SENTENCE. EXHIBITORS OR THEIR REPRESENTATIVES WHO FAIL TO OBSERVE THESE CONDITIONS OF APPLICATION OR WHO, IN THE OPINION OF SHOW MANAGEMENT, CONDUCT THEMSELVES UNETHICALLY MAY IMMEDIATELY BE DISMISSED FROM THE EXHIBIT AREA WITHOUT REFUND OR OTHER APPEAL.**
